MEMORANDUM FOR: THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: (Unclassified) Request for Training Material

1. The USAF psychological warfare staff officer training program is currently under revision. Although the Air Force is not charged with the responsibility for developing or conducting [redacted] propaganda projects, it is felt that USAF personnel being trained to fill staff officer positions in psychological warfare programs should be familiar with all aspects of that type of propaganda media. During hostilities, these officers will engage in overt psychological warfare activity that will parallel covert activity in scope and objectives, and it is essential, to insure consistency and unity of action, that these officers be familiar with the covert phases of the work.

25X1

2. In connection with the above, it is requested that the following material be furnished:

a. Copies of material used in training personnel in the techniques of [redacted] propaganda dissemination.

25X1

b. Latest technical information available on the equipment used in fulfilling [redacted] propaganda requirements.

25X1

This material may be limited to general principles, doctrines, and methods and need not include data on specific current operations. Information regarding the source of this material will be limited, on a strict need-to-know basis, to personnel in this headquarters, and personnel having access to the material will be cleared for TOP SECRET.

3. Favorable consideration of this request will be appreciated. The Psychological Warfare Division, Directorate of Plans, JCS/Operations, Headquarters USAF, can supply any further information you may require.

FOR THE CHIEF OF STAFF:

JOHN J. HUTCHINSON
Colonel, USAF
Chief, Psychological Warfare Division
